Dedication

LINDA BERREY

*We dedicate the annual to Mrs. Berrey this year,
Because she's a friend and to us she's very dear.
She walks down the hall like she's going to the races,
But she always has a smile for all the different faces.
Since she doesn't make learning a task or a bore,
You will always find her students, coming back for more.
She always gets involved in her subjects and her teaching;
The students always learn exactly what she's preaching.*

The poem above is an expression of our feelings for you and your work here at D.H.S. Eventhough some of us will not be here in a few years, we hope you will stay around so that even the youngest students will have a chance to sample your superb teaching talents.

Your friends say they'll keep in touch, but you know they won't. Your teachers say come back and see them. And you now you won't. Maybe someday it won't matter. But right now, it hurts a little.

We, the Annual Staff of the '78 Sandstorm, would like to express our deepest appreciation to all of those who helped to make this year's annual, the most fantastic one ever.
